	<p>Long four days</p> <p>Was very surprised at the professionalism. The layers that built up with the end, made so much sense. Grateful for this experience and knowledge. I can't wait to take it home and apply it.</p> <p>The food was excellent but I would have liked to see more vegetarian options available</p>
<p><b>ACCOMODATIONS COMMENTS</b></p>	<p>Facility was adequate, larger room for our size group would have been helpful</p> <p>Old School Put to Good Use, WOW!</p> <p>Fine, nice to have air + and clean rooms, showers needed mopped</p> <p>They were adequate</p> <p>Good, Air Conditioner was noisy, but Trish and Alice change room around and it worked great</p> <p>Great</p> <p>About what I expected. Most meals were good to better than expected. Flexibility of participants made it work.</p> <p>Sleeping conditions were okay, showers were not that great but worth it for free training. Food was great but more vegetarian options need to be available. Couldn't eat lunch on Wednesday and Friday and didn't eat dinner on Thursday.</p> <p>School initially seemed scary, but it's pretty cool! Glad we slept in a tent; cots sounded noisy</p> <p>Stayed at Twin Falls Lodge. More information concerning additional accommodations and phone numbers would have been helpful prior to conference.</p> <p>Maybe mattresses instead of cots! Food was good!</p> <p>Good</p> <p>Thank you for a place to stay. I think I'm too tall and heavy for the average cot. Next time I'll bring</p>

	<p>some sort of sleeping pad.</p> <p>I was lucky to have a bed-cot so I fared pretty well</p> <p>They were great!</p> <p>Adequate for me</p> <p>They were adequate. Tent space was crucial for me. Thanks to Dave and the custodians for allowing me to utilize the tarp.</p> <p>Everything was great</p> <p>Just fine</p> <p>I really liked the MOC but I slept outside and did not experience the cot room. I would suggest informing folk about tent options.</p> <p>They were fine for me. The cots were too squeaky. Maybe we can spray them with something that would stop the squeaking. The food was excellent! The cooks did an amazing job.</p> <p>Met the needs, would come back. Food was great.</p> <p>Great food, adequate dorm</p> <p>Food was amazing! More private tent space please!</p> <p>Great</p> <p>I would have stayed at the MOC but my traveling companion preferred to stay at Twin falls so the accommodations were quite nice</p> <p>Loved the food, plenty to go around. All @ the MOC were very hospitable.</p> <p>The state park was great. Thanks</p> <p>Bare ground would have been worth the training. I had no problems, really enjoyed the community residents, learning of Mullens history and great food.</p>
